Hi Dave,

Our assumption website has a lot of useful information about what is assumption and what is required for a state/tribe when they submit a package for our approval, so I think sending her there for background will be very helpful – <https://www.epa.gov/cwa404g/basic-information-about-assumption-under-cwa-section-404>

Here is the link to the 404g regulations if she wants to learn more about the elements -

Ex. 5 Deliberative Process (DP)

Thanks,
Mindy
